ES Comprehensive Staffing Model: Required Positions

Budget Notes

Principal Discretionary Spending: Non-Required Positions

This document provides a detailed accounting of the resources initially allocated to this school. Certain items appear more than once in the tables below, because they may be both at-risk funded and a part of the standard allocation model. Where an allocation is given for both at-risk and the regular allocation model, the total full-time equivalency (FTE) can be found in the standard allocation tables. The dollar (\$) amount allocated for that item is the sum of the two \$ amounts.
