Notes:

Hyde-Addison's initial formula allocation was \$4,783,590. There was no change in the submitted budget total. This is an increase of \$457,798 compared to last year. School budgets are primarily driven by two key factors: enrollment and unique student need. In SY19-20, Hyde-Addison's projected enrollment was 371. For SY20-21, their projected enrollment is 401, an increase of 30 students. Additionally, due to an increase in the number of students receiving special education services with less intensive needs, Hyde-Addison requires an increase in the number of special education staff members, resulting in an increased special education allocation.
