## Year-To-Year Budget Notes

Houston Elementary School's initial formula allocation is \$5,317,570. This is an increase of \$5,842 compared to last year. School budgets are primarily driven by two factors: enrollment and unique student need. In SY2020-21, Houston's projected enrollment was 297. In SY2021-22, the school's projected enrollment is 282, a decrease of 15 students. Due to a slight decrease in projected English Learner (EL) enrollment, the school has a slightly decreased EL allocation and students will receive itinerant EL services. The SY2021-22 budget does not include designated funding for Extended Day. Schools may choose to use their flexible funds (e.g., administrative premium) or stimulus funds to support learning outside of traditional school hours. Rising position costs contribute to the increased overall allocation in SY2021-22.

NEW: Houston will also receive additional stimulus funding in the approximate amount of \$227,459 to provide supplemental services to accelerate learning recovery and support students' social-emotional development. These funds are not included in the initial formula allocation total.
