## Year-To-Year Budget Notes

Key Elementary School's initial formula allocation is \$4,491,233. This is an increase of \$107,917 compared to last year. School budgets are primarily driven by two factors: enrollment and unique student need. In SY2020-21, Key's projected enrollment was 372. In SY2021-22, the school's projected enrollment is 360, a decrease of 12 students. Due to limits on average classroom size, the school is receiving one additional general education teacher. Based upon DCPS' school mental health allocation model, which considers individual student service needs (e.g., special education and 504 service hours), as well as specialized programming, the school is receiving 0.5 additional psychologists.

NEW: Key will also receive additional stimulus funding in the approximate amount of \$50,000 to provide supplemental services to accelerate learning recovery and support students' social-emotional development. These funds are not included in the initial formula allocation total.
