Year-To-Year Budget Notes

Raymond Elementary School's initial formula allocation is \$8,533,331. This is an increase of \$314,654 compared to last year. School budgets are primarily driven by two factors: enrollment and unique student need. In SY2020-21, Raymond's projected enrollment was 472. In SY2021-22, the school's projected enrollment is 473, an increase of one student. Due to changes in self-contained programming, Raymond will house one additional self-contained special education classroom, resulting in an increased allocation of staff members. Due to a decrease in projected English Learner (EL) enrollment, the school is receiving one fewer EL staff allocation. Based upon DCPS' school mental health allocation model, which considers individual student service needs (e.g., special education and 504 service hours), as well as specialized programming, the school is receiving one additional social worker. In SY2020-21, Raymond received \$50,000 in one-time Chancellor's Initial Budget Assistance, which is not included in the school's initial SY2021-22 budget.

NEW: Raymond will also receive additional stimulus funding in the approximate amount of \$298,501 to provide supplemental services to accelerate learning recovery and support students' social-emotional development. These funds are not included in the initial formula allocation total.
