Year-To-Year Budget Notes

Stevens Early Learning Center's initial formula allocation is \$2,913,980. This is an increase of \$365,099 compared to last year. School budgets are primarily driven by two factors: enrollment and unique student need. In SY2020-21, Stevens' projected enrollment was 107. In SY2021-22, the school's projected enrollment is 82, a decrease of 25 students. Based upon DCPS' school mental health allocation model, which considers individual student service needs (e.g., special education and 504 service hours), as well as specialized programming, the school is receiving one additional psychologist and one additional social worker.

NEW: Stevens Early Learning Center will also receive additional stimulus funding in the approximate amount of \$50,000 to provide supplemental services to accelerate learning recovery and support students' social-emotional development. These funds are not included in the initial formula allocation total.
