Year-To-Year Budget Notes

Ida B. Wells Middle School's initial formula allocation is \$8,231,485. This is an increase of \$1,818,621 compared to last year. School budgets are primarily driven by two factors: enrollment and unique student need. In SY2020-21, Ida B. Wells' projected enrollment was 370. In SY2021-22, the school's projected enrollment is 551, an increase of 181 students, largely due to the addition of 8th grade. As a result, the school is receiving 8.2 additional general education teachers. Due to a change in the number of students receiving specialized instruction services and the hours of instruction prescribed in their Individual Education Plans (IEPs), Ida B. Wells requires one additional inclusion teacher, resulting in an increased allocation of staff members. Due to an increase in projected English Learner (EL) enrollment, the school also requires one additional EL staff allocation. Based upon DCPS' school mental health allocation model, which considers individual student service needs (e.g., special education and 504 service hours), as well as specialized programming, the school is receiving one additional social worker.

NEW: Ida B. Wells will also receive additional stimulus funding in the approximate amount of \$298,075 to provide supplemental services to accelerate learning recovery and support students' social-emotional development. These funds are not included in the initial formula allocation total.
