## Year-To-Year Budget Notes

This narrative describes the change from Brightwood Elementary School's FY23 submitted budget to their FY24 initial allocation. FY23 submitted budgets include one-time funds (FY23 Mayor's Recovery and Hold Harmless funds), and changes made by principals and school communities from their initial allocation to tailor their resources to their student population. Brightwood's initial FY23 allocation and submitted FY23 budget are included on the dcpsbudget.com website.

Brightwood Elementary School's initial FY24 formula allocation is \$11,884,469. This is an increase of \$45,385 compared to the FY23 submitted budget. School budgets are primarily driven by two factors: enrollment and unique student need. In SY22-23, Brightwood's projected enrollment was 596. In SY23-24, the school's projected enrollment is 600, an increase of 4 students. Brightwood is receiving 1 less special education educator due to a decline in students with IEPs and/or students served in self-contained classrooms. Brightwood is receiving 2 less EL teachers due to a decline in the number of English Learners. Brightwood is receiving \$2,818 per student eligible for at-risk funding, bringing their total At-Risk Supplement to \$704,484. To support social-emotional and academic needs, additional per-pupil formula funds are allocated to schools serving higher concentrations of students eligible for at-risk funding. Brightwood Elementary School is receiving \$2,609 in at-risk concentration funds because over 40% of their student enrollment is eligible for at-risk funding. Security funds were excluded from school budget allocations since FY22. Security funds will continue to be managed centrally in FY24. Thus, there is no impact to the school's year-over-year comparison.

## Elementary School Budget Model Allocation

The table below provides a detailed accounting of the resources initially allocated to this school.

Levels of Flexibility Key

**Level 2 (L2):** Flexible with Petition - Principals may petition to repurpose the allocation and must demonstrate how they will meet related programmatic requirements, as applicable.

Level 3 (L3): Flexible - These allocations are optional and may be budgeted at the principal's discretion.
