## Year-To-Year Budget Notes

This narrative describes the change from Hendley Elementary School's FY23 submitted budget to their FY24 initial allocation. FY23 submitted budgets include one-time funds (FY23 Mayor's Recovery and Hold Harmless funds), and changes made by principals and school communities from their initial allocation to tailor their resources to their student population. Hendley's initial FY23 allocation and submitted FY23 budget are included on the [dcpsbudget.com](http://dcpsbudget.com) website.

Hendley Elementary School's initial FY24 formula allocation is \$5,674,885. This is a decrease of \$298,678 compared to the FY23 submitted budget. This includes \$74,684 in Mayor's Recovery funding. School budgets are primarily driven by two factors: enrollment and unique student need. In SY22-23, Hendley's projected enrollment was 290. In SY23-24, the school's projected enrollment is 283, a decrease of 7 students. Hendley is receiving 2 more special education educators due to an increase in students with IEPs and/or students served in self-contained classrooms. Hendley is receiving \$2,818 per student eligible for at-risk funding, bringing their total At-Risk Supplement to \$732,663. To support social-emotional and academic needs, additional per-pupil formula funds are allocated to schools serving higher concentrations of students eligible for at-risk funding. Hendley ES is receiving \$123,937 in at-risk concentration funds because over 70% of their student enrollment is eligible for at-risk funding.

Security funds were excluded from school budget allocations since FY22. Security funds will continue to be managed centrally in FY24. Thus, there is no impact to the school's year-over-year comparison. Hendley is also receiving \$41,250 in FY24 ESSER III funding. This funding is not included in their budget total because these funds are one-time and supplemental to the school's annual DCPS formula funds. Schools were able to request ESSER III funds to sustain their evidence-based acceleration programming.

## Elementary School Budget Model Allocation

The table below provides a detailed accounting of the resources initially allocated to this school.

## Levels of Flexibility Key

**Level 1 (L1):** Required - Rarely flexible - Any shift in the allocation will maintain the intended purpose of the original allocation.

**Level 2 (L2):** Flexible with Petition - Principals may petition to repurpose the allocation and must demonstrate how they will meet related programmatic requirements, as applicable.

**Level 3 (L3):** Flexible - These allocations are optional and may be budgeted at the principal's discretion.
