## Notes:

This amended budget worksheet reflects changes made to Brent Elementary School's budget after its March 2023 submission. Changes may include additional funds allocated to schools, as well as decisions made as part of summer reprogramming by the principal and community to tailor resources to the needs of their student population. This summer, Brent received \$109,590 in Schools First in Budgeting Funds from DC Council.

Below is a list of budgeted personnel and non-personnel resources. Final costs\* for positions reflect only salary and benefits and not the administrative add-ons that are part of the total position cost during budget development. Administrative add-ons are defined as the costs of associated expenses related to each union such as fingerprinting, substitutes, leaves of absences, and disability accommodations among others. At the bottom of the worksheet, there is a budget line for "Personnel administrative add-ons," which represents the budgeted dollar amount of administrative add-ons for Brent ES.
