Notes:

This amended budget worksheet reflects changes made to Maury Elementary School's budget after the Mayor's March 2024 budget submission. Changes may include budget adjustments made by the principal as part of the summer reprogramming process to tailor resources to the needs of students.

Below is a list of budgeted personnel and non-personnel resources. Final costs* for positions reflect only salary and benefits and not the administrative add-ons that are part of the total position cost during budget development. Administrative add-ons are defined as the costs of associated expenses related to each union such as fingerprinting, substitutes, leaves of absences, and disability accommodations among others. During budget development, add-ons are part of the total position cost and once budgets are submitted, they are managed centrally as part of the school-wide budget. During the summer reprogramming process, school leaders were required to budget for additional personnel add-ons as the number of FTEs increased. At the bottom of the worksheet, there is a budget line for "Personnel administrative add-ons," which represents the budgeted dollar amount of administrative add-ons for Maury ES.
